Shared Blessings

We are currently getting together a directory of those with a specific skill or occupation that would be useful to others in the congregation. The name of this new resource is Shared Blessings Directory. This is a way to help us connect our everyday needs with the skills right here in our congregation. See the forms in the foyer to sign-up to be listed as a resource.

The Food Challenge

On our online giving app there is a line item called The Food Challenge. The idea is that you skip a meal out to eat and give to the fund what you would have spent. At this time, the funds raised will be going to the Building Fund (This will change depending on what is going on).

To give online, go to our website www.jesusiscentral.com and click on the links or straight to our giving site: https://jesusiscentral.churchcenter.com/giving

We encourage everyone to read God's Word daily. We have a reading plan that can be found on our website www.jesusiscentral.com. The link on our homepage will direct you to the YouVersion App. The plan is included in our weekly bulletin and there are also copies in the foyer.

If you would like to use our Online Giving you can visit www.jesusiscentral.com/giving to set up your account to give online. You can also download the Planning Center app from your app store.
